

# HANNA'S GREAT SHAKE-DOWN.

## UNEXAMPLED RAPACITY OF THE REPUBLICAN MACHINE.

### THE FIGHT FOR THE WEST.

No Hope for McKinley Except in Lavish Use of Money and Eastern Wealth Must Put Up.

Special to the Post-Dispatch.  
NEW YORK, Oct. 15.—The magnitude of Mark Hanna's raid in the name of the National Republican Campaign Committee on the money vaults of Connecticut banks and other New England States now appears in a clear light.  
The amount of the assessment to be paid to Mr. Hanna is figured at one-eighth of one per cent, so that the levy of \$75,000.00 on the good people of Connecticut alone, enormous as it seems, is easily verified.  
An old yesterday, ex-Gov. Bulkeley, who is Mark Hanna's senior friend, though he is not a director of the financial institutions, is not numerous enough to prevent such contributions, if the gold men saw fit to give cash. Put to them the question: "How about the legal aspect of the case?"  
Trust companies, mutual insurance companies, etc., are not the dictators of their assets. State authorities might have an investigation to make.  
The figures given above are for Connecticut only. When they are added similar figures for Massachusetts, the seat of some of the wealthiest banks in New England and the very home of insurance, the lists for Maine, New Hampshire, Vermont and Rhode Island, the magnitude of this unexampled political "shake-down" is appalling. Wall Street itself was let off easily.  
Then, too, other States have been put on the Hanna list. Already nine national banks in Newark have been assessed \$1,000 each. Pennsylvania's expected contribution can only be surmised, but it is known that every financial concern of the kind named will be nudged for the sake of "atamping out Bryanism" in the Middle West, the seat of battle for the next three weeks. The States claimed so certainly for McKinley in the latest statements issued by Quay and Hanna.

### DRAWING PUBLIC MONEY.

Yet Spend Their Time Making Gold-Bug Speeches.

Special to the Post-Dispatch.  
NEW YORK, Oct. 15.—District Attorney John R. Feltows is too busy just now arguing for "sound money" in the South to pay much attention to the prosecution of criminals in New York. Through the drawing of \$15,000 a year for doing the latter. He is still drawing this sum, though he has been making stump speeches for Palmer and Buckner ever since the Indianapolis Convention.  
As a consequence, the prisoners in the Tombs have got along as best they could, though they slept three in a cell. But in Virginia and Maryland and Kentucky and West Virginia and Tennessee, and even away up in Mexico, they have heard of Col. Feltows. Mr. Roosevelt of the Police Board only returned to the city Monday. He had been away some time making a trip to the West, where he spoke several times for McKinley. Mr. Roosevelt was not away so long as Col. Feltows, and he does not draw so much money. His salary is only \$5,000 a year.  
Col. Fred Grant of the Police Board has also been out of town frequently to lend his aid to the cause of McKinley. He does not go far from home.

### BRYAN AND SEWELL CLUBS.

Officials of Those in New York Hold a Meeting.

Special to the Post-Dispatch.  
NEW YORK, Oct. 15.—Not in this campaign has there been a more enthusiastic assemblage than the gathering of the Bryan and Sewell clubs of the State in the Bartholdi Hotel yesterday.  
Representing in the aggregate about 7,000 voters, fully 150 of the club officials had come in response to the invitation of Chairman Danforth of the State Committee, and National Committeeman Frank Campbell, to tell of the outlook in their respective States and to discuss plans for the most efficient prosecution of the work.  
For five hours the meeting lasted, and so encouraging were the reports that applause was the rule and the speakers were several times Senator Hill came in for hard raps for his "pernicious inactivity," as one man termed it.  
Every man deplored the lack of campaign documents and lithographs of Bryan and Sewell, but Treasurer St. John of the National Campaign Committee reassured them when he said:  
"I have made arrangement by which 50,000 lithographs of Mr. Bryan will be ready for distribution this week to all who will leave addresses."

### BLUFF CALLED.

Bank Presidents Make a Silver Dollar Play and It is Accepted.

HELENA, Mont., Oct. 15.—On Oct. 1 R. H. Kleinschmidt received a letter from W. J. Booker of Memphis, Tenn., saying that C. T. Schultze and J. T. Frost, both bank presidents, had offered \$20,000 American standard silver dollar coins to be distributed in six months after Bryan's election and the passage of a free coinage bill. Kleinschmidt immediately accepted the proposition and to-day notified Booker that the bankers had agreed to offer and to put the case in the hands of competent attorneys if necessary to enforce the agreement.

### FUSION CLAIMS.

The Silver Men Will Easily Control Congress.

WASHINGTON, D. C., Oct. 15.—The progress of fusion is so satisfactory to silver men that they now not only claim the election of Bryan, but say they will easily control Congress. Following are their estimates:

Ess of Kansas City and J. C. Clarkson, chairman of the Silver Party Committee, made addresses. Mr. Ess declared that he belonged to the Silver Club which had 125 members and they would all vote the straight Democratic ticket. Mr. Clarkson urged the silver men to support the Democratic ticket. He had formerly voted the Republican ticket himself.

### FUSION IN WYOMING.

It is Recognized Fully by the Populist National Committee.

WASHINGTON, Oct. 15.—Secretary Edgerton of the Populist National Committee to-day announced the decision of the committee with reference to fusion between the Democrats and Populists on the electoral ticket in Wyoming, taking a position favorable to the fusion as agreed upon and against the attempt to put full Populist electoral ticket in the field. Referring to the matter, he said: "The agreement between the Democrats and Populists on the electoral ticket in Wyoming, giving the Populists one elector and the Democrats two, is perfectly satisfactory. The committee of the National Committee composed of Daniel I. Van Meter, P. J. Quay and A. A. Barton and utterly repudiated the fusion ticket. The Populist electors by petition, which attempt is said to have been made by Chairman Patterson of the State Populist Committee."

Outside of Baltimore the Feeling is All Democratic.

Special to the Post-Dispatch.  
NEW YORK, Oct. 15.—Senator Charles L. Guy returned last night from a tour of Maryland, where he had been speaking under the auspices of the Democratic National Committee. In speaking of the situation in that State, he said: "Outside of the city of Baltimore, I find the people wild for Bryan and talk of the State for Mr. McKinley is absurd. Senator Gorman is making it interesting for the Republicans down there, and his efforts are certain to be rewarded with success. Maryland is sure for Bryan."

# CITY'S VOTE HAS BEEN DOUBLED.

REGISTRATION WILL SHOW A TOTAL OF 133,000.

## BOTH PARTIES COUNT A GAIN.

Chairman Brady Is Confident and Chairman Kalfell Talks of a 25,000 McKinley Majority.

When all the precincts have been heard from—and there are but a few missing—the total registration will reach, perhaps 133,000.

This is nearly double the vote cast for President in 1888 and more than twice the vote polled two years ago.

The registration, with thirteen precincts missing, stands:

Wards	Registration
First	4,035
Second	4,100
Third	4,117

In 1888, the Fifth, Sixth, Seventh, Eighth, Ninth, Eleventh, Twelfth, Fifteenth, Sixteenth, Eighteenth, Nineteenth, Twentieth, Twenty-first, Twenty-second, Twenty-third, Twenty-fourth, Twenty-fifth, Twenty-sixth, Twenty-seventh, Twenty-eighth, Twenty-ninth, Thirtieth, Thirty-first, Thirty-second, Thirty-third, Thirty-fourth, Thirty-fifth, Thirty-sixth, Thirty-seventh, Thirty-eighth, Thirty-ninth, and Fortieth wards gave Republican majorities, while all the other sixteen went Democratic.

In these Republican wards the increase of registration is 17,678, while the wards which gave Democratic majorities that year show an increase of 20,000.

In 1888 the vote on the congressional contest in the city was 70,476. It was divided as follows:

If the increase in these wards has not changed their political complexion the Democrats will carry the city by a good-sized majority.

There is a strong probability, though, that an entire realignment of the wards will take place after the election. The Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth, Eleventh, Twelfth, Thirteenth, Fourteenth, Fifteenth, Sixteenth, Seventeenth, Eighteenth, Nineteenth, Twentieth, Twenty-first, Twenty-second, Twenty-third, Twenty-fourth, Twenty-fifth, Twenty-sixth, Twenty-seventh, Twenty-eighth, Twenty-ninth, Thirtieth, Thirty-first, Thirty-second, Thirty-third, Thirty-fourth, Thirty-fifth, Thirty-sixth, Thirty-seventh, Thirty-eighth, Thirty-ninth, and Fortieth wards have always been safely Republican will be found in the Democratic columns after Nov. 8, 1892.

On the other hand, some of the central and western wards which have been safely Democratic by Republican majorities will be found in the Democratic columns after Nov. 8, 1892.

The enormity of the registration has really put the practical politicians at sea, and none can gauge accurately the outcome of the election.

Chairman H. H. Brady, when asked what he thought of the registration, said: "I am satisfied. I believe we have a good chance to carry the city at the coming election. My reason for thinking so are these: Up to the election of Mayor Walbridge the Republicans had their full vote registered."

"They were the minority party in the city and they had an organization that worked successfully to get their vote registered. The Democrats did not exert themselves to such an extent. I believe we have a good chance to carry the city at the coming election. My reason for thinking so are these: Up to the election of Mayor Walbridge the Republicans had their full vote registered."

"In this fight we have allies we have not had in previous campaigns, and I believe we will carry the city. The Democrats are with the Democrats this time, and we are an immense force in a campaign. Chairman Theodore D. Kalfell of the Republican City Committee differed very materially from Chairman Brady in his estimate. He said: "The Republicans will carry St. Louis by not less than 25,000 majority. I do not base my estimate on estimates, but on actual figures. We have made a most careful house to house canvass and have 30,000 majority without counting on the gold Democrats. Their vote may increase McKinley's majority in the city materially. Our canvass is complete and the city is ours by not less than the figures I gave you."

Chairman Charles P. Higgins of the Board of Election Commissioners said: "I have no idea how the vote will go. Which party will be the gainer? The increase is more than I can say."

## DUFFTOW'S CREDITORS.

Union Trust Co. Withdraws Its Intervention Against Them.

The suit of the Union Trust Co., as executor of the late Louis Dufftrow, to enforce creditors' claims against the estate and compel them to be paid for the money due the wife and child of the deceased, was dismissed by Judge Dufftrow on Thursday last.

The petition of the Trust company, which was filed in the St. Louis court on Thursday last, was based on the fact that the late Louis Dufftrow, who died on Thursday last, was a resident of St. Louis at the time of his death, and that the Union Trust Co. was his executor.

Dr. Greene's Nervura blood and nerve remedy surely cures. The reason is plain. It is the prescription of the most successful specialist in curing nervous and chronic diseases; hence of necessity, it is perfectly adapted to cure just these chronic complaints. ## NATURALIZATION FRAUDS.

Mr. Carr Has Not Obtained Necessary Evidence Against the Forgers.

Clerk Archibald Carr has not yet clinched his charges of fraudulent naturalization by having the men arrested and producing the forged documents of Deputy Clerk Judge's name on application blanks.

Mr. Carr has made complaint before the Grand Jury regarding statements by Michael Haley, a Twelfth street saloon-keeper, calling attention to statements made by William Crough, an applicant for naturalization for whom Haley was testifying, but he has not yet made specific charges against anyone else. It has been pointed out that Haley, who has been testifying, was fully entitled to naturalization.

Clerk Carr's deputies were busy Thursday morning overhauling applications that had been filed in naturalization cases. On two of these were appeared the name of W. J. Tucker, an ex-Deputy Sheriff, as a witness. The deputies considered him very strange, they said, that Mr. Tucker should have such an extended acquaintance.

Other applications on which the names of Michael Haley and Thomas Foster frequently appear as witnesses are being investigated.

Judge Leroy B. Vallant, on ascending the bench in Division No. 8 of the Circuit Court Thursday, read the following order:

"Upon the assembling of court it is announced that to-day is to occur the funeral of the late George A. Castleman, a highly honored member of this bar, who died on the 12th instant."

"Judge Castleman, having in his lifetime been a member of the bar, a member of the St. Louis Criminal Court and in every position to which he was called, on the bench and at the bar, having served his country with fidelity and honor, it is therefore the order of the court that the members of the bar adjourn until to-morrow morning."

Other courts took similar action. At 2 o'clock members of the bar assembled and passed resolutions of respect to Judge Castleman's memory.

## CHANCEY FILLEY A "DEAD ONE."

FORGOT TO REGISTER AND NOW HE CAN'T VOTE.

HIS YELLOW JACKET IS LOST.

The Great Apostle of Republicanism Neglects What He Claims Is Patriotism's First Principle.

Chauncey I. Filley, the "Li Hung Chang" of the Republican party in Missouri, has lost his yellow jacket. And the peacock feathers denoting absolute supremacy are dragged and bent; while the prayer mats at the mosque are growing dusty from disuse.

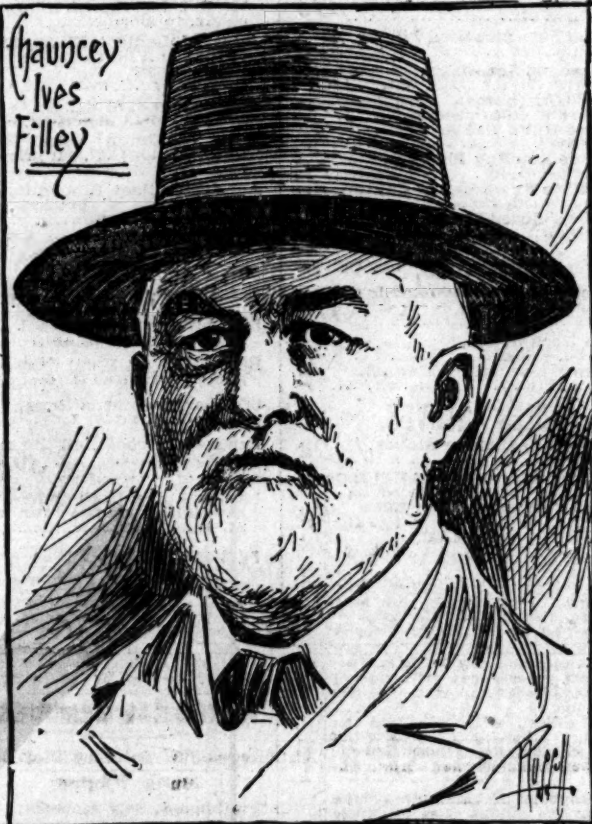

The Iron Mountain hat was not seen in the Republican City Convention Thursday and the familiar war cry of the Filleyites, "We've got 'em," was lost in the swelling chorus for "awful beer."

In the parlors and the hall, the bar room and the ante-room leading to the hall stood groups of Republicans from the schismatized works, the vote factories and the different wards, discussing in low tones some unusual event, which evidently had excited them.

They talked in low tones, but the burden of their song was that the "boss" had put them in the hole by failing to register. Max Kotany was there, busy as a bee, explaining, expostulating and insisting that one vote lost was no loss.

"How could Mr. Filley register when he has been sick for three weeks?" said Mr. Kotany when the wave of protest became too strong.

Yet the faithful "chewed the rag" in the

CHAUNCEY I. FILLEY, The Man Who Can't Vote.

vernacular of the Merchants' League Club, and refused to be comforted. Chauncey I. Filley had failed to register! He had lost his vote for President; lost his vote for Governor of Missouri; lost his vote for the city ticket; lost the confidence of the rank and file—and gave unimpeachable evidence that he knows he is not in it in the present campaign.

For weeks and months the "boss" has been insisting that the man who failed to register and vote was neither a patriot nor a good citizen and then he gave an exhibition of publican consistency by letting registration close without getting his name on the books.

If Mr. Filley were loyal to McKinley and to the Republican ticket he would vote Nov. 3 in the First Precinct of the Twentieth Ward.

But he won't do it now. Nov. 3 he will stand around the polling-place in the vicinity of the Mosque like a small boy who has lost his "taxi."

An early morning call at the Mosque Thursday by a Post-Dispatch man was fruitless. Mr. Filley was not there.

Was Mr. Filley in? He was. Would he kindly tell the Post-Dispatch why he had failed to register and why he didn't want to vote for President this fall?

That was the sum and substance of the interview by proxy, and the colored keeper of the Mosque prayer beads grinned suggestively as he opened the front door and pointed to the steps which led away from the Joss house.

Charles Wenneker, Secretary of the Convention, said at noon that Mr. Filley had not registered because he was too ill to go to the registration precinct.

"Didn't we have an ambulance and four negroes to carry him down stairs?" said Mr. Wenneker.

Mr. Filley too ill to be carried downstairs? They say, however, that Mr. Filley, the chairman of the State Central Committee, didn't care to scratch his ticket and he would not vote for McKinley with Mark Hanna at the helm.

Whatever the motives which prompted him Mr. Filley was not registered, and therefore, cannot vote November 3.

MATLACH DIVORCE CASE.

The Wife Sues Because Matlach Wouldn't Live With Her.

Elwood V. Matlach, Secretary of the Laclede Power Company, was sued for divorce Thursday. In the petition filed by Mrs. Ella M. Matlach the only allegation is that her husband failed and refused, for more than one year, to live with her.

The couple were married Sept. 30, 1885, at Corpus Christi, Tex., and the separation occurred June 1, 1886.

Mrs. Matlach asks for an absolute divorce, with alimony, stating that her husband is worth \$50,000, and custody of the two children, Blanche, aged 10 years, and Marguerite, 7 years old.

Mr. Matlach said that he had nothing to say about the suit when seen by a Post-Dispatch reporter.

Mrs. Matlach is represented by Lawyers McDonald & Pauntelroy.

Acknowledgments of the other amounts sent on are daily expected.

The fund still continues to grow, but not as fast as it should this time of the campaign when every dollar counts double.

Let the people sacrifice a few luxuries for a week or two for the sake of their principles and send in the dollars and dimes so fast that the \$2,000 mark will be reached by the end of the week.
